Assasins Creed 3 1.2.2 cheats for Xbox 360 Comments Off on Assasins Creed 3 Cheat: PS3: Bust open all of the crates on the island during the boat chase and enter the buried chests you will be granted a flintlock pistol. Use the ability to quickly run from the guards and run over the flagstones on the beach to reach the end of the level. You will automatically gain an extra life. Drop the flagstone on the far left of the beach area. You will get an extra life. For "Assasins Creed 3", you will need to go to the location of the "Malta Conversation" to obtain a gold colored blade. Once you have acquired the blade, you will need to go to the area where the "Malta Conversation" is located to view the "Malta dialogue". After you enter the area where the "Malta Conversation" is located, go to the right and you will find a single tree branch in a boat on the water that you can climb up and grab. Once you have grabbed the branch, follow it up to the tree where it branches and find a part of the tree you can climb on. You will end up at the "Malta Conversation" area. After you have completed "Assasins Creed 3", go to the locale where the "Malta Conversation" is located. You will be given the opportunity to have the "Malta Conversation" and have the option to select the correct "line" for the conversation. If you select the line that appears to be incorrect, you will be given the option to correct it. Once you have successfully chosen the line that appears to be correct, the game will prompt you to choose one of the two options you could have chosen. Once you have selected the option you wish to choose, the game will ask you to make your choice before the option becomes available again. If you do not choose one of the two options available, you will be given the option again. After you have selected an option and completed the game, the game will ask you to enter the exact code that was given to you. After you have given the code, the game will ask you to save your game. Once you have completed the game, you will be asked if you want to start a new game. Unlock the two hidden leaderboards in the game to unlock a special achievement 82157476af
